

**For Immediate Release**

## **Whiz Integrated Systems Software Moves to Larger Quarters**

**GARDENA, CA (August 23, 2004)** — Whiz Integrated Systems Software, Inc. ([www.wissoftware.com](http://www.wissoftware.com)), a premier provider of technology and business solutions to the sewn products industry and general manufacturing sector has relocated to larger quarters to support the company's dramatic growth. The new address is:

Whiz Integrated Systems Software, Inc.  
18726 S. Western Ave., **Suite 209**  
Gardena, CA 90248  
**Tel: 310-532-5052** Fax: 532-5373

The new offices, located in the same building currently occupied by the company, are more than triple the size of the company's previous space. The new space will better support the growing infrastructure needed to deliver the company's expanding portfolio of products and services.

### **About Whiz Integrated Systems Software, Inc.**

Founded in 1994, Whiz Integrated Systems Software, Inc. is a premier provider of technology and business solutions to the sewn products industry and general manufacturing sector. WIS delivers both solutions and services in Apparel ERP selection, implementation and custom development, specializing in the ACS Optima® and Porini® ERP systems. In addition, WIS provides both software and services to address apparel and non-apparel company requirements in the areas of EDI, Warehouse Management, Sales Force Automation and Deduction/Chargeback Resolution.
